

Resident Referral Program Now Offering \$1500 Bonus!

The seasons may be changing, but our Resident Referral Program is still offering a huge incentive for you! There's no better time to tell your friends and family about Rutland Place. Invite them to consider your community and see all the wonderful comforts provided. Tell them about us and you could earn a

\$1500 Rent Credit

So if you have a friend looking for a change of seasons, tell them about Rutland Place. They'll have a nice home *and you as a neighbor!* Plus, you'll earn our bonus!

This is a limited time promotion and with any program this generous, there are a few simple details required to secure your **\$1500 bonus**.

- You must turn in your friend's name to **Pam Barton** before any other referral agency, otherwise it cannot be accepted. Referrals who are already in our system are not eligible. Pam will follow your instructions on whether or not to contact your friend. The main objective is to get your friend's name in the marketing system so you can get the referral credit.
- The referral must move in and be a resident at Rutland Place for 30 days.
- After 30 days you will receive a \$1500 referral credit on your rent statement.

As you can see, the process is simple and the rewards great. Reach out to **Pam Barton** with any questions...or better yet, REFERRALS!

Summertime and the Livin' is Easy!

Ella Fitzgerald sure had the right idea! If you're looking for something to do this summer, then there is no need to look any further. The weather's heating up and we have a fun time planned for our residents at Rutland Place! What a great time of year to get out and enjoy the nice, warm weather! Our patio is absolutely beautiful, so please come see what Scott and Tara have done and enjoy that awesome space!

We have so many things to look forward to this month! It's that time of year again! The **Staff Appreciation Party** will be held on Thursday, **June 24th**. Since we have a "no tipping" policy, we have a **Staff Appreciation Fund** that is distributed to all hourly employees, once in June and again in December. You may choose to contribute to this fund if you wish; it is collected solely on a volunteer basis. You can give whatever you feel comfortable with, or you may choose not to participate. The funds will be fairly divided based on the number of hours each employee has worked since January. If you wish to participate, please have your donations in no later than Friday, June 18th. Thank you so much for brightening their summer even more!

We've got lots of exciting things to do as we kick off these wonderful summer months. Our fabulous Life Enrichment Director, **Dave Putman**, has several fun excursions planned for us this month with something for everyone. Be sure to check your calendar and see what he has planned.

Rutland Place is such a wonderful place to live (and work), and I'm so thankful to be part of this amazing family! Enjoy the warmth, the sunshine, the sights and smells of summer and, of course, the fun we share at Rutland Place!

A NOTE FROM DAVE June Fun Facts!

The month of June marks the beginning of summer in areas of the Northern Hemisphere. June is a popular month for weddings and parties because of the mild temperatures and full-blooming foliage. Ancient Romans named June after Juno, the queen of the gods and patroness of marriage and weddings. But June is about much more than weddings, marking the end of the school year for many students and **Father's Day** for dads across the country.

Here are some interesting facts about June. There is no legal holiday in June, but **Flag Day** is recognized on **June 14th**. It was on June 14th, 1777 that Congress adopted the "stars and stripes" as the flag of the United States to symbolize unity of all the states.

On Flag Day, Americans show respect for the U.S. Flag and what it represents. Some show their patriotism by displaying the flag.

Juneteenth is observed annually on **June 19th**, commemorating the end of slavery in America. This dates back to 1865.

June also has the summer solstice on the 21st.

If you are born in June, like me, you are lucky enough to have two birthstones. These are pearl and alexandrite, representing health and love. June flowers are the rose and honeysuckle.

Here's another interesting June fact. During the 20th Century, June became such a popular name here in the United States that it became the 39th most commonly used names for newborn baby girls during the 1900s.

Happy June, I love you all!
