EXECUTIVE DIRECTOR'S CORNER

Enjoying a Welcomed Change of Season!

Spring is finally here! Spring and "springtime" refer to the season and also to ideas of rebirth, rejuvenation, renewal, resurrection and regrowth. What a wonderful time of year is this! The days are longer so we can enjoy the beautiful weather and fun activities!

It's so great to have some nice days to get out and enjoy this awesome weather. Our fabulous Life Enrichment Director, Dave, has a lot of fun activities planned this month, so keep your calendar close at hand and join in everything that interests you!

HAPPY EASTER! Easter is more than chocolate bunnies, jelly beans, candy eggs and dying eggs. It is so much more

than hiding eggs and wearing new spring attire. As Christians, we know it is our observance of the crucifixion of Christ and his resurrection. At Rutland Place, we celebrate this season of rebirth with hope, fellowship, song, worship and, of course, a fabulous feast!

Let me conclude with a favorite quote from Kate McGahan:

*"The very first Easter taught us this:
that life never ends and love never dies."*

As we enter this Easter season, and throughout the year, I thank you for your love and support. It is a wonderful gift to be a part of this amazing community.

—Karen Tucker, Executive Director

There's So Much to Do Everyday at Rutland Place!

Springtime brought about a flurry of activity here at Rutland Place. We were all Irish for a day as we celebrated St. Patrick's Day. Our Mardi Gras event was colorful and an opportunity to enjoy wearing masks! We even dined out at Farmers Family Restaurant.

A NOTE FROM DAVE

So Glad to See Spring's Arrival

Spring is officially among us! How wonderful it will be to have the sun shining, longer days and the temperature warming up so we can enjoy the weather. As we leave March, flowers have started to bloom, and the cold chill of the winter is fading away. Do we really need much more to be happy and celebrate?

Each month is enjoyable for its own reasons. The April birthstone is the diamond, one of the hardest things on our planet. Although it is unyielding, it also symbolizes eternal love. I have been told, "diamonds are a girl's best friend!"

There are also three holidays in April—Easter, Earth Day and April Fool's Day. Does that last one count as a holiday?

April flowers are the Daisy and Sweet Pea. The daisy represents innocence and purity, while the sweet pea signifies blissful pleasure.

I am very excited for spring, and I hope you are as well!

—Dave Putman, Life Enrichment Director
